IN reply to G.O., No. 206, dated 28th January 1874, I have the honour to state that the circumstances under which the sum of Rupees 3,000 from the current year's grant for the Pennagaram Cutcherry cannot be utilized are in consequence of the irregularities of the Darampoory Taluq Overseer whose case is now before Government and the great difficulty felt in procuring labour and materials at Pennagarum which is an unhealthy place.

2. A further report will follow, as it is believed that when bills for wood-work due to the Public Works Workshop in Madras are paid, the expenditure will be much greater than that reflected on.
