*Proceedings of the Madras Government, Public Works Department,
27th February 1874.*

No. 553. Read the following letter from Lieut.-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Madras, dated Dowlaishweram, 2nd February 1874, No. 3,205 :—

At the request of the Head Draughtsman of my Office I have the honour to forward, for your favourable consideration, the accompanying petition, and trust you

will be pleased to recommend he may be exempted in the manner he applies for.

2. I believe he will be found to be a useful public servant, as he has very good abilities and some considerable experience.

No. 554. ORDER THEREON, 27th February 1874, No. 501.

ESTABLISHMENT, No. 35.

It is observed that Veera Venkojee having obtained only a 2nd-class Sub-Overseer's Certificate has not attained the standard of qualification laid down in G. O., No. 1,237, dated 14th May 1872, as necessary for a Taluq Overseership. His application cannot, therefore, be entertained. The list published in the *Fort St. George Gazette* of 13th January was wrongly called a list of Sub-Overseers instead of Bengal Overseers.

Secretary to Government.

Most Honored Sir

I much respectfully
beg leave to bring to your kind notice the
following few lines trusting that they will
meet with your honors favorable consider-
ation, that having had an opportunity of per-
using a notification dated 13th January 1872
published in the Lok. St. George Gazette
at page 24, to the effect that persons possess-
ing certificates from the Madras Civil
Engineering College of having passed the
prescribed test for suboversers are entitled
to look overers certificates, I
believe that I am also eligible for similar
favor as I possess a certificate
dated 14th November 1868 from the College of
having passed for suboversers, copy of
which is herewith enclosed for perusal and
therefore advise you on the subject

P. M. 21/3/72

I further beg to state that I have also acted for draftsman as well as the general test and Precip. working higher grade and have been serving in the department for the past 13 years of during which time I had been a Delta Capt. 2^d grade for nearly 6 years and have been in charge of works of every description which need abridgment by saying were executed to the entire satisfaction of my superiors. I have been engaged subsequently for nearly four years in taking surveys and levels in which branch I have also given satisfaction with regard to their accuracy. I need scarcely mention that Col. F. Fisher R. E. District Engineer is well aware of the experience I have acquired during my stay in the Dept. in all professional branches appertaining to an overseer.

Under the circumstances brought to notice in the above I most humbly beg your honor will graciously be pleased to favor me with exemption from paying the prescribed fee for taking over the

For such act of favor I shall as in duty bound ever pray

I beg to Remain
Respectfully

Your most obedient servant
