No. 585. Read the following Proceedings of the Madras Government, in the Revenue Department, dated 24th February 1874, No. 144:—

Read the following Proceedings of the Board of Revenue, dated 17th February 1874, Miscellaneous, No. 1,071.

From J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 29th January 1874, No. 44.

I HAVE the honour to submit, for the sanction of Government, an estimate, amounting to Rupees 218-11-0, for providing rattan matting and chicks for the bungalow at Tindevanum (a Government building), occupied by the Head Assistant Collector on payment of rent. The estimate furnished by the Head Assistant Collector provided matting, etc., for the private dwelling-house as well as for the office-rooms, but as the ordinary grass matting will suffice for the latter, I have excluded from the estimate the cost of providing them with rattan matting, as the grass matting can be provided from the Sadirwarid allowance.

.2. I submit a copy of the Head Assistant Collector's letter* bringing to notice his requirements in this respect. I think that Government, as landlord, may reasonably be expected to provide the matting, etc., required.

3. The rent for the building is collected by the Range Officer and credited to the Public Works Department, and I request therefore that the Government may be asked to issue orders to that department to provide the matting and the chicks.

SUBMITTED for the favourable consideration of Government.

Secretary.

THE estimate is sanctioned. Funds will be provided by the Public Works Department.

To,

J. C. E. Sullivan Esqr.

Acting Collector of Santhapreat

Sir,

I am forwarding an estimate prepared by the Assistant Engineer amounting to Rupees 260 for providing rattan matting and chairs for the Bungalow in my occupation and the office rooms, I have the honor to request that it may be submitted for the favorable consideration of Board of Revenue.

2. The Office requirements in this respect need no comment. There are no mats and never have been any, and the flooring

is

in consequence is perpetually
 wearing into unsightly and
 inconvenient holes.

3. As regards the private
 dwelling house, mats or tatters
 have never been supplied by
 Government, although these
 are by immemorial custom
 considered a part of the standing
 furniture of every house in
 this country and are as a rule
 supplied by the land lords;
 and I am sure Government will
 not take advantage of the
 limited supply of house accom-
 :modation at this station, neces-
 :itating a residence in their building
 to compel their Officers to supply
 at their own cost what would
 be furnished to them gratuitously
 by a private proprietor.
