Public Works DEPARTMENT

G.O. No.	545	Press
B.P. No.		Mis. _____
Dated	3 - 3 -	195 <i>6876</i>

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
3rd March 1874.*

No. 55. Read the following letter from Colonel E. A. FOORD, R.E.,
Inspecting Engineer for Civil and Military Buildings, to Colonel
G. W. WALKER, R.E., Secretary to Government, Public Works Depart-
ment, dated Chepauk, 29th January 1874, No. 150 :—

I HAVE the honour to forward, for the sanction of Government, a plan and
estimate of Rupees 165 for constructing
parapet walls to steps in rear of the
family quarters at Ramandroog in the
Bellary District.

- 1 Plan.
- 1 Estimate.
- 1 Specification.

2. The work is considered absolutely necessary to prevent people, and
especially children, from falling over the side which is not protected by a parapet
wall.

3. The plan and estimate have been prepared at the request of the local
Military Authorities, and approved by His Excellency the Commander-in-Chief;
and the work, if sanctioned, will be carried out from the allotment for Minor New
Works, Military, for 1874-75.

No. 56. ORDER THEREON, 3rd March 1874, No. 545.

MILITARY WORKS, No. 4.

SANCTIONED.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Inspecting Engineer for Buildings.
„ District Engineer, Bellary.
„ Officiating Controller of Public Works Accounts.

Report to accompany Estimate for Constructing Parapet
Walls to steps rear of Family Quarters at Pamandrog.

This estimate amounting to Rs. ¹⁶⁵ ~~164~~ is to pro-
vide parapet walls to the steps of Family Quarters
at Pamandrog. At present a guard or
parapet wall is built only on one side of
the steps to the back entrances of 8 of the
houses, and as the steps are steep & only
about 3 ft wide there is said to be danger of
people especially children falling over
the unguarded side hence the necessity for
the work. The walls will be perfectly plain
and sloped to correspond with those already
existing. They are not all the same height
as some flights of steps contain 6 & others 9 steps.
The height of wall shown in Estimate is the average.
