*Proceedings of the Madras Government, Public Works Department,
3rd March 1874.*

No. 68. Read the following letter from Major H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 9th February 1874, No. 1,032 :—

With reference to G. O., No. 763, dated 10th March 1873, giving sanction for Govindasawmy Pillay to act as Draughtsman and Estimate-maker in No. 1 Range of this district for the period of one year, during which time it was hoped that he would be able to pass and be eligible for the appointment, I have the honour to report that he was examined last December, and the result at the examination now reported is, I regret to say, that he has failed to pass.

2. This man entered the department in December 1861 as an apprentice, and has ever since been employed on survey and draughtsman's duties; he is perfectly competent to conduct the duties, and is able to do so from his experience much better than a new hand from the College could do. I therefore request that should Government not allow him to be confirmed in this appointment, Government will allow him to act for another year as Draughtsman and Estimate-maker in No. 1 Range. Should he fail to pass in this time he must revert to his former appointment of 2nd Accountant in the range.

No. 69. ORDER THEREON, 3rd March 1874, No. 551.

ESTABLISHMENT, No. 6.

GOVINDASAWMY PILLAY having failed to pass the examination for Draughtsman and Estimator after the probation of twelve months, which he was allowed in G. O., No. 763, dated 10th March 1873, cannot be allowed to draw the pay of Draughtsman, viz., Rupees 40, till reported qualified, but should revert to the rate of pay drawn by him when he held the appointment of 2nd Accountant, viz., Rupees 30.
