G.O. No.	567 (9)	Press
B.P. No.		Mis.
Dated	4-3-	C874 195

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
4th March 1874.*

No. 96. Read the following memorandum from Lieutenant Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, to Colonel G.W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Tenjee, 18th February 1874, No. 167 :—

IN G. O. No. 37, dated 8th January 1874, entries in the Budget of 1874-75 of the sums required for head sluices for the Anicut channels as per margin on the Tambrapoorney in Tinnevelly were

Canadien	...	...	...	...	Rs. 6,000
Marudur	...	...	...	...	10,000

authorized, and owing to the failure of the monsoon the state of the river being particularly favourable for commencing such work, it is recommended that the District Engineer be allowed to prepare materials at once, Rupees 1,000 for each sluice being placed at his disposal for this purpose from the Reserve, with leave to apply for such further allotment as may be required for expenditure before the 31st March.

2. Revised plans have been drawn out and sent to the District Engineer for the estimates to be prepared.

No. 97. ORDER THEREON, 4th March 1874, No. 567.

IRRIGATION, No. 9.

THE preparation of materials for the Canadien and Marudur head sluices in Tinnevelly is authorized, in accordance with the recommendation of the Chief Engineer for Irrigation, and Rs. 1,000 for each sluice are placed at the District Engineer's disposal from the Reserve under Agricultural, Ordinary.

2. Additional funds can be applied for if needful.
(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Tinnevelly.
" Chief Engineer for Irrigation.
" Officiating Controller of Public Works Accounts.
