*Proceedings of the Madras Government, Public Works Department,
9th March 1874.*

Read the following papers ;—

No. 193. From Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Dowlaishweram, 23rd January 1874, No. 3,147.

I HAVE the honor to forward, herewith, a plan and an estimate, amounting to Rupees 1,050, for constructing an escape in the 43rd mile of the Ellore Canal, prepared as per your instructions to the

1 Plan.
1 Estimate.

Officer in charge Western Delta, and to request you will be good enough to sanction the same. I have ordered the work to be put in hand in anticipation of sanction as it is absolutely necessary that it should be completed before the canal is re-opened ; the work can be provided for out of the allotment for the project.

No. 118.

No. 194.

Note by the Chief Engineer for Irrigation.

THE estimate, amounting to Rupees 1,050, for the construction of an additional escape in the 43rd mile of the Ellore Canal, is for the purpose of providing additional water-way to prevent injury to the canal from land floods.

2. There being no lump sum item in the sanctioned estimate for this canal, now under execution from Loan Funds, the work may be treated as an improvement or extension, costing less than 5,000 Rupees, chargeable to Revenue, and its cost may be met from the Reserve under Agricultural.

FORT SAINT GEORGE,
3rd February 1874.

(Signed)

J. MULLINS, Lieut.-Colonel, R.E.,
Chief Engineer for Irrigation.

ORDER THEREON, 9th March 1874, No. 616.

No. 195.

IRRIGATION, No. 18.

THE Government consider that as the provision of sufficient means of passing flood-water across the Ellore Canal

was not made in the completion estimate now under execution from Loan Funds, the present estimate for an escape in the 43rd mile should be considered as an addition thereto, and it being within the percentage on the former estimate, amounting to Rupees 55,000, which the Government can sanction, it is approved accordingly.
