No. 222. Read the following endorsement of the Officiating Controller of Public Works Accounts, dated Madras, 3rd February 1874, No. 7,092:—

I HAVE the honour to solicit sanction to the undermentioned tools being written off the balance return of tools of the Ghooty Range.

2. These tools are reported to have been lost in a theft committed by a mile cooly on the 27th September 1873, at the store-shed at Tumbul in the Adony Taluq. The criminal was tried by the Taluq Magistrate and sentenced to six months' imprisonment. The tools noted in the margin have been since recovered by the Police, and are therefore not included in the list given below:—
