*Proceedings of the Madras Government, Public Works Department,
12th March 1874.*

No. 271. Read the following letter from Captain A. EDGCOME, R.E.,
Officiating District Engineer, Bellary, to Colonel G.W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Camp at
Ghooty Taluq, 23rd February 1874, No. 1,810:—

I HAVE the honour to report, with reference to G. O., No. 366, dated 14th
February 1874, that no arrangements have been made to utilize the allotment of
Rupees 5,500, provided in the current year's Local Fund Budget of the Ghooty
Circle as a contribution for the erection of a dispensary at Adony, as the work is
not included in the list given in the budget of works to be carried out by the
Public Works Department. Also no application to that effect has been made by
the Local Fund Board.

2. I may add that it was only lately decided by the Local Fund Board that
the standard plan for dispensaries should be adopted for the dispensary at Adony.
The Range Officer was, at the request of the President, Local Fund Board, called
on to submit a plan much on the design sanctioned for the dispensary at Ghooty.
Its preparation has, however, been since discontinued.

3. The plan and estimate now called for will be submitted at the earliest
opportunity, and the work will be proceeded with during the next official year.
