*Proceedings of the Madras Government, Public Works Department,
13th March 1874.*

No. 297. Read the following letter from Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 23rd February 1874, No. 70 :—

WITH reference to the Proceedings of Government, No. 2,933, of the 5th December last, I have the honour to forward, herewith, a statement of remuneration proposed to be given to Inamdars whose lands have been taken up by the Madras Irrigation and Canal Company in the Cuddapah District, together with a bill for Rupees 76-4-9, and to request that you will be good enough to obtain the sanction of the Government to the same.

From W. D. HORSLEY, Esq., Collector of Cuddapah, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated on Circuit at Budwail, 16th February 1874, No. 5.

As directed in G. O. No. 2,933, dated December 5th, 1873, I have the honour to forward a statement of remuneration and a bill for Rupees 76-4-9 on account of lands taken up for the Irrigation and Canal Company's works.

2. The Government ask for a land register. This is a mistake. Land registers apply only to Government lands for which a money compensation is proposed. The lands now being dealt with are Inam lands for which a statement of remuneration is usually sent.

No. 298. ORDER THEREON, 13th March 1874, No. 673.
