*Proceedings of the Madras Government, Public Works Department,
13th March 1874.*

No. 332. Read the following letter from R. SMITH, Esq., District Engineer, Nellore, to Colonel G.W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Dugarazapatam, 18th February 1874, No. 153:—

I HAVE the honour to bring to your notice that I authorized Mr. Supervisor Fox to engage a cart for the carriage of office records, and furniture during a recent tour that he made in the Southern and Western Sections of the range he is temporarily in charge of, as his travelling allowance, Rupees 2 per diem, is far too small to pay for the conveyance of the current records of such an extensive charge as he then had to superintend.

2. The expenditure incurred for the carriage of the records referred to was charged in the contingent bills of the range, but the Controller of Public Works Accounts has declined to pass the amount, Rupees 27-4-8, without the sanction of Government, and this I now solicit, as the outlay was necessary to prevent delay in disposing of the correspondence connected with a large and an important range.

No. 333. ORDER THEREON, 13th March 1874, No. 691.

ACCOUNT, No. 19.

SANCTIONED, as a special case.
