*Proceedings of the Madras Government, Public Works Department,
16th March 1874.*

No. 367A. Read the following letter from Major the Hon. E. R. BOURKE, Postmaster-General, Madras, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 25th February 1874, No. 15,957-5,751 :—

His Excellency the Governor having granted permission for the erection of a Post Office within the Government House compound, Madras, immediately opposite to the Round Tannah in the Mount Road, I have the honour to request that orders may be issued to the District Engineer, Presidency, with a view to his furnishing me with a plan and estimate for a Post Office and Deputy Postmaster's dwelling, as per accompanying rough design.

2. It is desirable that the building should be as low as possible and should have a flat roof, so that it may be as little as possible seen from Government House; there should also be a small verandah open towards the Round Tannah; no mode of egress on the side facing Government House is desired, only a small inquiry window and a letter-box for the use of the Government House.

No. 368. ORDER THEREON, 16th March 1874, No. 709A.
