Proceedings of the Madras Government, Public Works Department.
20th March 1874.

No. 550. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Tuticorin, 2nd March 1874, No. 196:—

ADVERTING to a letter* received from the Inspecting Engineer for Ports and Communications, dated 14th February 1874, directing me to stop operations

* No. 670-14.

on the Cape Comorin and Muttam lighthouses, and to report to you the sum available for transfer, I have the honour to state that I can surrender Rupees 8,000. I append copy of my telegram of this day's date.

2. On receipt of Colonel Farewell's communication I at once telegraphed to know if the bungalows and collection of materials could be proceeded with, and on the 25th ultimo received an affirmative reply.

3. I have not as yet received any detailed instructions regarding the alterations proposed in the lighthouses. As this is the best season for working, I would beg to urge the desirability of early orders being given to me.

4. I was at Comorin and Muttam 20 days ago; none of the buildings have yet been commenced though a considerable quantity of material has been collected at Comorin. Endeavours will be made to complete the bungalows before the setting in of the south-west monsoon.

Copy of the Telegram.—Can surrender Rupees eight thousand from allotment for Travancore lighthouses.
