*Proceedings of the Madras Government, Public Works Department,
20th March 1874.*

No. 564. Read the following letter from Major H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 14th March 1874, No. 1,126:—

I HAVE the honour to inform you that an estimate of Rupees 650 was sanctioned by this office annually for watching, cleaning, etc., the dredges at Negapatam, and charged to the head of Tools and Plant "Imperial." An estimate was similarly sanctioned this year for Rupees 650 from the Imperial allotment for Tools and Plant, but under G. O., No. 2,094, dated the 22nd August 1873, the Controller decided that the estimate should be charged to Port Funds, as it is for the use of Ports and Harbours that the said dredges are maintained; the expenditure on the estimate of Rupees 650 has been accordingly transferred to the head of Tools and Plant, Port Funds, but as there is no allotment under that head to cover the expenditure, I request that the sum of Rupees 650 may be provided from Port Funds under Tools and Plant.

No. 565. ORDER THEREON, 20th March 1874, No. 778.

ACCOUNT, No. 30.

RUPEES 350 only being available under Port Fund, Tools and Plant, this sum is placed at the disposal of the District Engineer, Tanjore, and the Marine Department will be requested to provide the balance Rupees 300 applied for.
