No. 573. ORDER THEREON, 21st March 1874, No. 782.

ACCOUNT, No. 31.

COMMUNICATED to the District Engineers for information.

2. It is observed that of the twenty-nine ranges whose accounts for January have been received late, nineteen were also in arrears with their accounts for December last, the remaining ten having attained punctuality during that month. All accounts for December were, it is noted, submitted by the end of January, excepting the Jeypore Ghaut and Dindigul Ranges. This is marked improvement.
