*Proceedings of the Madras Government, Public Works Department,
23rd March 1874.*

No. 607. Read the following letter from Captain C. L. HIGHMOOR, for Inspector-General of Police, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 18th March 1874, No. 1,092 :—

I HAVE the honour to submit, for early sanction of Government, two supplemental estimates, amounting to Rupees 100, for the construction of two Station-houses at Chinnatadepully and Nadavapully in the Godavery District.

2. The Superintendent of Police reports that the amounts (Rupees 750 and 858) sanctioned for appropriation this year in G. O., No. 1,711, dated 2nd July 1873, Public Works Department, for the buildings in question, have proved insufficient in consequence of teak-wood reepers having been substituted for the bamboo ones provided in the original estimates, and that a further sum of Rupees 50 in each case is necessary to cover the expenditure.

3. Information has been afforded that there will be a saving of Rupees 100 out of the sum Rupees 600 sanctioned for the Kotah Station-house in the same district in the Government Order quoted in paragraph 2, and I request that sanction may be accorded for the appropriation of this amount for the purpose mentioned above.

4. The supplemental estimates are forwarded to Government, as the increased expenditure exceeds 5 per cent. on the original estimates.
