*Proceedings of the Madras Government, Public Works Department,
24th March 1874.*

No. 630. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th March 1874, No. 856:—

I HAVE the honour to submit, for early sanction of Government, a supplemental estimate, amounting to Rupees 350, together with a comparative statement and a letter,* in original, received from the District Engineer for the completion of a Police Station-house at Masulipatam, Kistna District.

2. It will be observed that the total sum of Rupees 3,370 already sanctioned by Government as per margin for the above building has proved insufficient, owing to the inadequacy of the rates allowed in the original estimate for doors, etc., and that the further sum of Rupees 350 now applied for is

absolutely necessary. The station-house, it is stated, will be completed before the close of the present official year.

3. To provide funds, I beg sanction for the following transfers of building funds under head "Construction":—

District.	Work.	Amount.	District.	Work.	Amount.
<i>From</i>		<i>RS.</i>	<i>To</i>		<i>RS.</i>
Wynaad ...	Police buildings (balance of Rupees 1,870, sanctioned in G. O., No. 1,711, dated 2nd July 1873, Public Works Department) ...	* 290	Kistna.	For completing the Police Station-house at Masulipatam ...	350
Jeypore ...	Police buildings (Rupees 60 sanctioned for one store-room at Koorkooty, sanctioned in G. O., No. 1,996, dated 11th August 1873, Public Works Department.) ...	* 60			

* Information has been afforded that the above sums cannot be expended this year in Wynaad and Jeypore, respectively, and that a store-room at Koorkooty is no longer required.

No. 631. ORDER THEREON, 24th March 1874, No. 813.

CIVIL WORKS, No. 67.

WITH the above correspondence is submitted a revised estimate, amounting to Rupees 3,720, for the construction of a Police Station-house at Masulipatam, for which a sum of Rupees 3,370 was sanctioned in the orders quoted in the margin, the excess being due to the insufficiency of the rates entered in the estimates to meet the charges of the Bezwada Workshop for the wood and iron

work of the doors and windows of the building. It is not understood why these charges could not have been accurately entered in the estimate at first, presuming that it was intended all along that the work should be executed at the Workshop, and the District Engineer should have realized and reported the excess, direct, at a much earlier date, giving full explanation and justification of the enhanced rates. Presuming them to be correct, His Excellency the Governor in Council now sanctions the revised estimate, as well as the proposed transfers of funds.
