Proceedings of the Madras Government, Public Works Department, 24th March 1874.

No. 632. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 5th March 1874, No. 134 :—

REFERRING to paragraph 11 of Public Works Department Resolution, No. 830-5 G.O., No. 1,754, dated 24th July 1872. A. R., of the 26th June 1872, I have the honour to report that, in accordance with an application* from the Agent of the Great Southern of India Railway Company, I have authorized the following alteration in the Budget-Estimate for 1873-74, viz. :—

* Letter enclosed, No. 5,399, dated 20th Feb. 1874.

Rs. 66,923 from the allotment for Rolling Stock, and
,, 23,077 from Station and Buildings, District I.

Total Rs. 90,000

To be transferred to Schedule E, "Expenditure on Stores."

2. This transfer is rendered necessary by the large purchases of coal made in this country, for which provision was not made in the original estimate for "Stores." No expenditure will be incurred during the current year under the head "Rolling Stock."

From W. S. BETTS, Esq., Agent of the Great Southern of India Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 20th February 1874, No. 5,399.

THE Chief Auditor has reported to me as follows :—"I find that the Budget allotment during the current official year on account of store purchases will not be sufficient to meet our requirements; as you are aware we have had to meet large demands in this country for coal purchased, which our estimate of Rupees 2,50,000 was not intended to cover. Judging from past expenditure, and from information received from the Chief Engineer regarding his requirements during the current quarter, I believe it will be necessary to apply to the Government for a further allotment, under the head of "Stores purchased," of Rupees 90,000.

2. There is an allotment in the current year's Budget of Rupees 71,323 for Rolling Stock upon which no expenditure will be incurred, and that sum can be transferred to stores. The balance, or say Rupees 18,677, can be spared from the allotment made for "Stations and Buildings," District No. I.

No. 633. ORDER THEREON, 24th March 1874, No. 814.

ORDERED that these papers be forwarded for the information of the Government of India.
