*Proceedings of the Madras Government, Public Works Department,
25th March 1874.*

No. 681. Read the following letter from Captain A. EDGCOMB, R.E., Officiating District Engineer, Bellary, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Dumenur, 20th March 1874, No. 1,952:—

I HAVE the honour to state that a bill for Rupees 257-12-3, on account of charges incurred in repairing certain scientific instruments, has been received for adjustment from the General Superintendent, Public Works Stores and Workshops. There is only a sum of Rupees 78 available under "Imperial Tools and Plant, Repair." I therefore request that an additional allotment of Rupees 180 may be granted to meet the charges.

2. The bill has been ordered to be adjusted in anticipation of an allotment.

3. The repairable instruments were sent to the Workshop agreeably to the instructions conveyed in memorandum, No. 43, dated 5th February 1873.

No. 682. ORDER THEREON, 25th March 1874, No. 841.

ACCOUNT, No. 38.

As no funds are available at present under Tools and Plant, Imperial, the charge in question will be met from the savings under that head.
