*Proceedings of the Madras Government, Public Works Department,
28th March 1874.*

No. 757. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 27th March 1874, No. 189 :—

I LEARN from the Collector of Chingleput that a large amount of compensation has already been settled for lands, etc., in the Chingleput and Saidapett Taluqs on account of the Carnatic Railway, and that delay will cause considerable loss to Government in the shape of interest. Mr. Barlow asks that the balance of Rupees 27,706, available from the Budget grant for the district of Chingleput, may be placed at his disposal to meet the emergent claims on account of land, and I beg that the Government will sanction the application.

2. I learn that a portion of the above amount can be disbursed within the 31st instant; and, as provision has been made for such expenditure in the Regular Estimate for 1873-74, submitted with my letter marginally noted, I request that Government may be pleased to accord immediate sanction to the above-mentioned advance, and that the Controller of Public Works Accounts may be advised of the same without delay.

Vide G. O., No. 2,940-A., dated 5th Dec. 1873.
Do., No. 802, dated 23rd March 1874.

3. Similar advances for the same purpose were sanctioned by Government on two former occasions.

No. 758. ORDER THEREON, 28th March 1874, No. 880.

RAILWAY, No. 93.

THE advance is sanctioned, and the Controller of Public Works Accounts will make immediate arrangements for
