*Proceedings of the Madras Government, Public Works Department,
28th March 1874.*

No. 762. Read the following letter from A. C. LAWFORD, Esq., Officiating District Engineer, South Canara, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Shiriyar, 14th March 1874, No. 150 :—

As the Mangalore Range Officer reports that Rupees 200 out of Rupees 665 allotted in Government memorandum, No. 126, of 20th ultimo, for the completion of the improvements to the travellers' bungalow at Cundapoor to adapt it for the residence of the Head Assistant Collector, and Rupees 100 out of Rupees 300 allotted for the construction of the Sea Custom-house at Naikinkatta sanctioned in G.O., No. 1,930, of 1st August 1873, will remain unspent at the end of the current official year, owing to the late receipt of allotment for the former work and great delay in the selection of the site for the latter, and as I do not see any probability of the sum of Rupees 1,000 retained for the construction of the coir godown at Mangalore being utilized within this official year, for the revised estimate has not as yet obtained the sanction of Government, I have the honour to request that you will be pleased to move Government to sanction a transfer of

Construction of Munsif's Court-house at Cassergode.

Rupees 665 from the above sources to the work noted in the margin, which is the balance of the revised estimate of

Rupees 2,365 now pending before Government; the Pootoor Range Officer having reported that he can spend it within the end of the current official year, but to be of use I request an early sanction may be given.

No. 763. ORDER THEREON, 28th March 1874, No. 882.

ACCOUNT, No. 49.

ORDERED that the sum of Rupees 1,300 surrendered in this letter be held at the disposal of Government, the

District Engineer having failed to report in proper time the funds available for transfer, or the manner in which he desires to utilize them.

2. The revised estimate for the Cassergode Munsif's Court is still pending in the Judicial Department, to which department it was referred on the 25th November 1873.
