*Proceedings of the Madras Government, Public Works Department,

No. 778. Read the following endorsement of the Revenue Department, dated Fort St. George, 26th February 1874 :—

Read the following Proceedings of the Board of Revenue, dated 20th February 1874, Miscellaneous No. 1,132.

From W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 10th December 1873, No. 774.

I HAVE the honour to state that in the villages of Ponnappanthangle and Arconum in the Wallajah Taluq, certain lands comprising an extent of Acres 9 Cent 77½, assessed at Rupees 25-5-2, were taken up, partly for the supplying channel of the Mahendravadi tank, and partly for the crossing road formed from Arconum Police Station to the Tramway gate.

2. The lands in question were held on puttah by the several ryots as per accompanying statement, and the assessment was deducted from their puttass in Faslies 1278 and 1281, respectively.

3. Although the ryots were allowed to take up other waste lands of similar value in exchange as is usually done in this district, they declined to do so, and desire to have compensation paid according to the value of land sold in the neighbourhood, which amounts to Rupees 456-10-3 and 33-4-6, respectively, exclusive of a well taken up in Ponnappanthangle village, the property of one Aroomooga Moodelly. It is valued at Rupees 72.

4. I have therefore the honour to request that you will be good enough to obtain the sanction of the Board of Revenue for payment of the sum of Rupees 528-10-3, being the value of lands and well taken up for the above-mentioned channel, and Rupees 33-4-6 the value of lands taken up for the road. The former item must be paid from funds at the disposal of the Public Works Department, while the latter should be paid out of the Road Fund Reserve of the Chittoor Circle.

THE sanction of Government is solicited for the payment from Imperial funds of Rupees 528-10-3, being the compensation due on the land and well taken for the supplying channel of the Mahendravadi tank.

2. The amount of Rupees 33-4-6 due on account of the land taken up for the crossing road formed from Arconum Police Station to the Tramway gate is sanctioned from the Road Fund Reserve of the Chittoor Circle, and the Accountant-General will be requested to place the amount at the disposal of the Public Works Department.
