*Proceedings of the Madras Government, Public Works Department,
31st March 1874.*

No. 819. Read the following letter from Major J. O. HASTED, R.E., District Engineer, Kistna, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Masulipatam, 20th March 1874, No. 132:—

IN G. O., No. 1,598, dated 29th June last, Rupees 600 were granted for converting two paddle boats received from the Godavery into range boats. This sum was only a rough estimate of the cost; in carrying out the work it was found necessary to expend Rupees 410 on the larger boat and Rupees 285 on the smaller one, in all Rupees 695, and even now they are, in my opinion, very uncomfortable boats. They are however strong and will probably, at the rate they are rented, pay their own cost before it is necessary to build other boats.

2. I have the honour to request you will be good enough to obtain sanction for the excess expenditure of Rupees 95, which sum is now due to the Workshop, and allotment of funds.

No. 820. ORDER THEREON, 31st March 1874, No. 902H.

IRRIGATION, No. 59.
<i>Account.</i>

SANCTIONED from the sum of Rupees 954 surrendered under Tools and Plant Ordinary by the District Engineer of Tanjore in statement I, dated 7th February 1874.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

To the District Engineer, Kistna.
