MEMORANDUM.

Final Financial estimates of the railways in the Madras Presidency called for in G. O., No. 155, dated the 18th March.

Madras Railway.

The withdrawals on Capital Account for 1873-74 are Rupees 40,000 less than in the last estimate, which is due to the cash requirements for February and March not having been so large as was expected.

The receipts on Revenue Account for the current year are set down at Rupees 45,000 loss; owing to a continued decrease in traffic the payments into Treasury for March have up to date not been so large as was anticipated in the last estimate, and will on the whole, it is considered, fall short by about Rs. 45,000.

Carnatic Railway.

The withdrawals on Capital Account are given at Rupees 54,000 less than in the previous estimate, owing to the cheques cashed at District Treasuries during January and February having fallen short of the estimate for these months.
