Dated	13-11-1874	~~105~~.

Not to be folded or roughly handled

No. 210. Read the following letter from Lieutenant W. H. COAKER, R.E., Deputy Consulting Engineer for Railways in charge, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 21st October 1874, No. 633 :—

I HAVE the honor to submit, for the sanction of Government, an estimate,* amounting to Rupees 3,000,† for levelling the yard to the south of the Workshops at Negapatam in order to provide siding accommodation for the narrow gauge vehicles as they are turned out of the shops.

*With letter No. 158, dated 16th October 1874.
† Indian Expenditure.

2. It being of importance that the work should be proceeded with at once, I have authorized its commencement in anticipation of sanction.

3. The charge will be debitable to Capital,* and in compliance with the Agent's request I have sanctioned the transfer of Rupees 3,000 from the allotment for rolling stock in the Budget of 1874-75 to meet the estimated expenditure.

* *Vide* Agent's letter, No. 101, dated 15th September 1874.

From W. S. BETTS, Esq , Agent of the South Indian Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 15th September 1874, No. 101.

Now that metre gauge vehicles are being constructed in the Negapatam Workshops, it is found that siding accommodation is needed on the metre gauge, so that standing room may be provided for the new vehicles as they are turned out of the shops.

2. This room can be found to the south of the Workshops and within the Workshop yard, if the ground be levelled and the spare earth removed. This earth could be removed in trucks to the beach line to fill up the low ground there.

3. There are 18,000 cubic yards to be removed, which can be performed at a cost of Rupees 3,000. Will you please obtain the sanction of Government to an expenditure not exceeding that sum.

4. No provision has been made in the Budget for this work, but a sum of Rupees 3,000 can be alloted for it by transferring that sum from the amount entered under the heading of Rolling Stock.

From the same Officer, dated Negapatam, 16th October 1874, No. 158.

As called for in paragraph 2 of your letter, No. 183, dated the 18th ultimo, I have the honor to forward herewith an estimate of the cost of levelling the Workshops yard at Negapatam, and removing the soil to the low ground near the wharf sidings, amounting to Rupees 3,000.

Proceedings of the Madras Government, Public Works Department,
13th November 1874.

No. 211. Order thereon, 13th November 1874, No. 3,211.

RAILWAY, No. 34.

The sanction accorded by the Consulting Engineer to the estimate, amounting to Rupees 3,000, for levelling the yard to the south of the Workshops at Negapatam in order to provide siding accommodation for narrow gauge vehicles is confirmed; and the transfer of funds to meet the cost will be reported for the information of the Government of India in accordance with paragraph 11 of Resolution* No. 830-5 A. R., dated 26th June 1872.

* G. O., No. 1,754, dated 24th July 1872.

2. The Consulting Engineer has not named a date from which the sanction should be considered cancelled. In the absence of any recommendation to this effect it will be held to lapse after the fourth quarter from date of receipt.
