No. 246. Read the following letter from Colonel C. V. WILKIESON, R.E., Superintending Engineer, Coimbatore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coimbatore, 23rd October 1874, No. 93 :—

WITH reference to paragraph 2 of G. O., No. 2,672, dated 19th September 1874, I have the honor to report that Coimbatore Taluq Writer V. Ponnoosawmy has since sold his land to individuals other than his relatives, and I have in consequence allowed him to remain in his present post.

2. With a view to remove from their present ranges and taluqs, I ordered an exchange between the Sub-divisional Officer's Writer P. Kristna Row and the Collegal Range 2nd Accountant G. Kristna Row, noted in the Government Order; but the Collegal Range Officer represents that the latter is the only man whom he can depend keeping well in the unhealthy climate of Collegal, and as the man possesses a good deal of information connected with the range works and past circumstances of the range, which would be turned to good account by the Range Officer, he earnestly urges the necessity for continuing G. Kristna Row in his present appointment pending the disposal of his land shortly.

3. The land spoken of as belonging to this man really belongs to his father, who is said to be very old, and if Government insist in carrying out this order G. Kristna Row will resign, and thus a willing and good servant, in a place where it is difficult to get any man to go, will be lost.

4. Under these circumstances, and as you are aware of the difficulty in getting qualified subordinates to take up appointments in Collegal without an inducement of increased pay, I beg Government will be pleased to permit those two individuals to continue in their present employment as, from their very subordinate position in their respective ranges, they cannot use any influence in matters connected with their lands.

No. 247. ORDER THEREON, 14th November 1874, No. 3,229.

ESTABLISHMENT, No. 10.

UNDER the circumstances represented His Excellency the Governor in Council is pleased to permit the retention of their land by both subordinates without removal from their present appointments.
