Proceedings of the Madras Government, Revenue Department,
16th February 1874.

No. 254. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 14th October 1874, No. 6,234 :—

WITH reference to G. O., No. 2,835, of the 6th instant, regarding house-rent for Assistant Apothecary Douglas, attached to the Gun Powder Factory at Madras, I have the honor to report, for the information of Government, that under the orders of the Government of India, communicated in G. O., No. 249 of the 27th March 1874, Mr. Douglas is not entitled to any compensation.

2. Compensation for inferior quarters is admissible only when the accommodation supplied is less than the scale authorized, but in the present instance this is not the case, Mr. Douglas having more space provided than is allowed by scale, and it being clear from G. O., No. 2,432, of the 30th July 1872, Military Department (paragraph 3), that he was not considered to be entitled to more than the accommodation authorized for his rank, viz., that of Assistant Apothecary.

3. This letter will be submitted through the District Engineer, Presidency, for any remarks that officer may desire to make.

No. 4,094.

THE District Engineer's view of the matter coincides with that of the Controller.

District Engineer, Presidency.

No. 255. ORDER THEREON, 16th November 1874, No. 3,233.

ESTABLISHMENT, No. 11.

IT would appear that the Controller's ruling is strictly in accordance with the orders of the Government of India quoted by him, and it will be acted on. Had he quoted those orders as the basis of his decision recorded with G. O., No. 2,835, of 6th October, no occasion for this further reference to Government would have arisen.
