Proceedings of the Madras Government, Public Works Department,
17th November 1874.

No. 287. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Pulney, 23rd October 1874, No. 3,075:—

I HAVE the honor to bring to your notice that an estimate of Rupees 78 for repairing the Telegraph store godown at Paumben, prepared at the instance of the Superintendent of Telegraphs, Madras Division, has been sanctioned and forwarded for execution.

2. Out of the current year's Budget grant of Rupees 50 for this district, under "Minor Repairs to Telegraph Buildings Imperial," there is but a sum of Rupees 10 available for appropriation to the above-mentioned service, Rupees 40 having already been allotted for repairing the cable-house at Tonitory, the revised estimate for which has been sanctioned in G. O., No. 1,597, of 16th June 1874.

3. The method suggested by the Superintendent of Telegraph for adjusting the cost of repairs to the godown is to present a bill for payment to the Assistant Superintendent in charge Paumben Sub-division Telegraphs, as "a similar course is invariably pursued at Bezwarah in the Kistna District."

4. As it is stated however in the Chief Engineer's instructions to the Controller, under date 20th January 1874, No. 30, that I can apply to Government for money if the grant already at my disposal is insufficient, I have the honor to request that you will be so good as to sanction from any available source a sum of Rupees 68 for the service in question.

No. 288. ORDER THEREON, 17th November 1874, No. 3,250.

ACCOUNT, No. 16.

THERE being no funds at the disposal of Government the additional grant now applied for will be allotted from savings later in the year.
