Proceedings of the Madras Government, Public Works Department,
18th November 1874.

No. 316. Read the following letter from Major J. O. HASTED, R.E., Superintending Engineer, 1st Division, Kistna, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Masulipatam, 6th October 1874, No. 74 :—

WITH reference to G. O., No. 2,527, dated 5th September 1874, I have the honor to inform you that the lower Pullairoo Project to which I stated in my letter, No. 46, dated 11th August 1874, that the compensation (Rupees 887) appertained, is not, as you seem to have understood, an item of the work called in the Progress Report "improving channels in the Masulipatam section of the Kistna Delta."

2. The lower Pullairoo Project, amount of estimate Rupees 1,04,050, was sanctioned on the 27th November 1865, and was reported completed in March 1871, expenditure having been Rupees 1,04,053, since which time it has not appeared in the Progress Reports. No allowance appears to have been made in the estimate for compensation, and I have therefore to ask for a special allotment of funds.
