Proceedings of the Madras Government, Public Works Department,
25th November 1874.

No 436. Read the following endorsement of the Chief Engineer for Irrigation, dated Camp at Satancolam, 24th October 1874, No. 37 :—

From J. H. LATHAM, Esq., Chief Engineer and Manager of the Madras Irrigation and Canal Company, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation and Joint Secretary to Government, Public Works Department, dated Kurnool, 12th October 1874, No. 123.

With reference to the Madras Government G. O., No. 2,716, of the 24th September 1874, I have the honor to hand you the enclosed statement showing the present and proposed new scale of Conservancy Staff: that for the upper section shows an excess of Rupees 350, and for the lower section a corresponding saving. I therefore beg to propose that this amount be transferred from lower to upper section sanction.

2. In the event of the arrangements as approved in G. O., No. 2,513, of 4th September 1874, being carried out, it is proposed to place the whole of the Canal and Irrigation Works in the Nundial taluq in the upper section; this will involve the necessity of transferring the following bankers, tindals, etc., from lower to upper division staff :—
