Proceedings of the Madras Government, Public Works Department,
25th November 1874.

No. 449. Read the following letter from W. A. GOODCHAP, Esq., District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Bugga, Nundial Taluq, 30th October 1874, No. 113 :—

In accordance with G. O., No. 1,112, dated 29th April 1874, I have the honor to report that an extra Draughtsman was employed in this office from 2nd May to 6th October 1874, (five months,) when he resigned the acting appointment.

2. Several irrigation and building estimates and plans were disposed of during that time, but as the arrears in the office are heavy; and the Draughtsmen (both permanent and temporary) were occasionally prostrated with fever, the work turned out was not satisfactory as to quantity.

3. I request that you will kindly obtain the sanction of Government for an extra Draughtsman to be entertained for a further term of six months, as there are a great many plans and estimates yet to be submitted for sanction.

No. 450. Order thereon, 25th November 1874, No. 3,333.

ESTABLISHMENT, No. 23.

His Excellency the Governor in Council sanctions the entertainment of another Draughtsman for six months more; but directs that a return be submitted at the end of that period of the work turned out by him and the regular Draughtsman in the shape of plans and estimates, and of the number of days during which they were incapacitated for work by sickness.
