Proceedings of the Madras Government, Public Works Department, 25th November 1874.

Read the following papers :—

No. 460. From Major J. BEATTY, R.E., District Engineer, Godavery District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 22nd October 1874, No. 2,296.

I HAVE the honor to submit, herewith, an application for furlough from Mr. G. T. Walch, Executive Engineer, and to recommend that it be granted. Mr. Walch has done good service to the country during his long residence in it, and I consider it desirable he should now be allowed the leave he asks for.

2. In the event of the furlough applied for being granted, I beg to suggest that the charge of the range be given to Lieutenant Dorward, R.E., who has now been a considerable time in it, is well acquainted with the works, takes much interest in them, and has shown himself to be a very efficient officer of the department.

No. 460A. From District Engineer, Godavery, dated 28th October 1874, No. 2,385.

REFERRED to the Controller of Public Works Accounts for report.

5th November 1874.

No. 460B. From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 9th November 1874, No. 7,086.

Two original papers from District Engineer, Godavery.

WITH reference to the papers referred to me for report, with your endorsement of the 5th instant, and herewith returned, I have the honor to state that under the ruling of the Secretary of State, communicated in G. O., No. 2,287, of the 16th September 1873, Mr. Walch's application for furlough must be disposed of with reference to the rules in Supplement F. of the Civil Leave Code, applicable to Uncovenanted Officers generally.

2. Mr. Walch having joined the Public Works Department on the 31st March 1866, his total period of service on the 1st January 1875 will be as follows :—

	Y.	M.	D.
From 31st March 1866 to 31st December 1874	8	9	1
Deduct period overstayed in excess of privilege leave granted in April 1874, viz., from 28th July to 5th August 1874	0	0	9
	8	8	22

Mr. Walch will not therefore be eligible under existing rules to the two years' furlough which he has applied for until the 10th April 1884. He may however be granted six months' leave on private affairs at once or in January next under Section 5, Supplement F. of the Civil Leave Code, and I should suppose that in

the event of being admitted to the benefit of the new rules during his absence, there would be no objection to the leave being converted into furlough on private affairs for two years under Sections 9 and 10, Chapter III., of the Civil Leave Code.

No. 461. ORDER THEREON, 25th November 1874, No. 3,338.

ESTABLISHMENT, No. 24.

THE Controller's letter will be communicated for Mr. Walch's information with reference to his application for two years' furlough.

2. The orders of the Secretary of State on the recommendations made to admit certain officers, of whom Mr. Walch is one, to the benefit of the new leave rules cannot be anticipated.

Sir,

I have the honor to request that I may be granted 2 Years furlough from 1st of January 1875. and I would request that in deciding about the matter the following circumstances may be considered.

Nearly four (4) years ago a new Civil Leave Code was promulgated to be applicable to "All Uncovenanted Civil Servants of the Classes enumerated in Schedule A". In that Schedule under "Public Works" appears "Assistant Engineers of the 3rd Grade and Officers of higher rank". The application of those rules to men who had been appointed in India was however suspended till a nominal list of such men had been submitted to the Secretary of State for India

India. In calling for such lists for this Department in this Presidency in May 1872 it was distinctly laid down that the benefit of the new rules would be received by amongst others Engineers takeover from the Madras Irrigation and Canal Company.

I am an Executive Engineer of the 3rd Grade. I joined the Government Service from that of the Madras Irrigation and Canal Company there can therefore be no doubt that I am entitled to the benefit of the new rules.

Under them I was due for two Years furlough last February last on application for it was refused as the nominal lists had not appeared.

When my juniors in the Service & of considerably lower Grade, are going off on furlough under the new rules, and I naturally consider it a hardship not also to get the benefit of what appears undoubtedly to have been applicable to me for nearly four (4) Years. I trust therefore that the furlough I now apply for may be granted

granted or that if this be not possible that I may have from the date mentioned 6 Months leave on private affairs under the old rules with a promise of its conversion into 2 Years furlough under the new rules if the nominal lists above referred to appear before the end of that 6 Months.
