Public Works Department Resolution, Nos. 227—33 A—R, dated 21st March 1871.
" " " " " 500—6 A—R., dated 4th September 1871.

RESOLUTION.—Since the revised forms of the half-yearly accounts of Guaranteed Railways were issued in 1871, some of the detailed forms have been revised, and orders affecting others have been issued from time to time.

2. As such detached orders and alterations have been, and are likely to be, overlooked at the time the accounts are made up, the Government of India consider it desirable to re-issue the forms with all the subsidiary orders modifying or altering the returns embodied in them.

3. The accompanying forms are issued in this view; and, to secure uniformity of practice, explanatory foot-notes have been added in all cases in which there was a want of precision in the forms of 1871. Care has been taken to avoid all changes that are likely to affect the keeping of accounts in the Railway offices.

4. The explanatory foot-notes "need" not be re-produced in the half-yearly accounts, but the Examiners of Railway Accounts should take special care to see that the instructions given are strictly followed in the preparation of the accounts.

ORDER.—Ordered that copies of this Resolution, and of the forms referred to, be forwarded to the Governments and Officers noted in the margin for information and guidance.

Governments of Madras and Bombay, and the Consulting Engineers at Calcutta, Lahore, and Lucknow.

Also, that copies be sent to the Financial Department and the Accountant-General, Public Works Department, for information.
