*Proceedings of the Madras Government, Public Works Department,
26th November 1874.*

No. 480. Read the following letter from G. S. SAGE, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Tindivanam, 30th October 1874, No. 165:—

In the revised estimates submitted with my No. 141, of 1st October 1874, for Munsifs' Court-houses at Virdachellum and Villapuram, Rupees 100 and Rupees 70, respectively, have been allowed for compensation for sites required for these buildings. The former appears to have been approximately estimated for by the late Acting District Engineer, and the latter by No. 1 Range Officer.

2. The Collector was in the meantime asked to settle the compensation and make over the sites to this Department, and from the bills received from this Officer it is observed that the site at Virdachellum has been settled for Rupees 200 by Sub-Collector, and that at Villapuram for Rupees 300 by the Head Assistant. The latter is "Sunnadu Maniem," and its value is estimated at Rupees 350 by Head Assistant Collector.

3. I have therefore the honor to request that the estimate for the Court-house at Virdachellum be increased to Rupees 10,320 and that for Villapuram to Rupees 10,190, by adding Rupees 100 and 230, respectively, to the items of compensation for land.

No. 481.

ORDER THEREON, 26th November 1874, No. 3,348.
