Proceedings of the Madras Government, Public Works Department,
11th December 1874.

No. 226. Read the following endorsement of the Acting Chief Secretary, dated Fort St. George, 27th November 1874 :—

From E. B. POWELL, Esq., Director of Public Instruction, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 16th November 1874, No. 2,087.

In forwarding the annexed copy of a letter, dated the 9th instant, No. 467-C, from the Principal of the Civil Engineering College, I have the honor to request that the services of Mr. Supervisor C. Stewart may be placed at the disposal of the Education Department in view to his employment in the Civil Engineering College.

From Lieutenant-Colonel H. T. ROGERS, R.E., Principal of the Civil Engineering College, to E. B. POWELL, Esq., Director of Public Instruction, dated Chepauk, 9th November 1874, No. 467-C.

I shall be much obliged if you will apply to Government for the services of Mr. Supervisor C. Stewart of the Public Works Department for the post of Master of the Special Drawing Class, rendered vacant by Mr Milne rejoining the Department Public Works.

2. Mr. Supervisor Stewart has expressed his willingness to take up the appointment, and I have no hesitation in saying that he is by far the most efficient man available for it.

3. There may arise some objection to his removal from the Department Public Works to the College; but considering how important it is that the Masters of this institution who train the pupils for the Department Public Works should be the very best men obtainable, I trust that no difficulty will be made in securing his services.

Transferred to the Public Works Department for consideration and orders.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

No. 227. Order thereon, 11th December 1874, No. 3,484.

ESTABLISHMENT, No. 19.

The services of Mr. Supervisor Stewart cannot be spared from the active duties of the department in the South Arcot District at the present time. It is desirable that some one not connected with the executive branch of the Public Works Department should be chosen to fill the vacant post.
