Proceedings of the Madras Government, Public Works Department,
12th December 1874.

No. 248. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Civil Works—Irrigation,) to Lieutenant-Colonel J. MULLINS, R.E., Joint Secretary to the Government of Madras, Public Works Department, (Irrigation Branch,) dated Fort William, 28th October 1874, No. 633 I:—

I AM directed to acknowledge the receipt of your letter, No. 2,493, dated the 3rd September last, forwarding copy of Proceedings of the Government of Madras, No. 2,492, of the 3rd September 1874, in which the views of His Excellency the Governor in Council, in respect to the several items making up the estimate for the Sungum Project, are embodied.

2. In reply I am to state that the results, so far as yet worked out, are correct and satisfactory; but all the information required in Public Works letter, No. 296 I, of the 18th May last, has not been afforded. That wanting appears, however, to have been called for from the proper authorities, and I am accordingly to add that as soon as the inquiries in progress have been concluded, a complete statement of the cost of the project, including due provision for tools and plant, as well as capitalization of abatement of land revenue derived from the land it will be necessary to take up for the works, will be awaited. I am also to inquire at what rate of growth, it is expected, that the revenue of the proposed canal will arrive at the estimated gross total of Rupees 2,38,000.

No. 249. ORDER THEREON, 12th December 1874, No. 3,496.

IRRIGATION, No. 16.
