Proceedings of the Madras Government, Public Works Department,
12th December 1874.

No. 258. Read the following letter from Captain J. PENNYCUICK, R.E.; District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 21st October 1874, No. 2,050:—

AT the request of the Controller of Public Works Accounts I have the honor to bring to notice that the work noted in the margin, for which funds were provided last year under the head "Repairs," has this year been treated as a new work, and funds provided for it as such in G. O., No. 1,943, of 20th July last.

Repairing iron railings at the Vellore Central Jail.

2. So far as this office is concerned it is a matter of indifference under which head the work is included, but the Controller having suggested that the matter should be brought to the notice of Government, this report is made.

3. "Repairs" certainly seems to be the correct head under which to include it, and it was so entered in the list forwarded with my letter No. 405 of 12th May last.

No. 259. ORDER THEREON, 12th December 1874, No. 3,501.

ACCOUNT, No. 21.

THE sum of Rs. 4,000 provided in G. O., No. 1,943, dated 20th July 1874, for repairing railings at the Vellore Central Jail will be recredited to the Reserve, and the expenditure debited to the grant* at the District Engineer's disposal under "Repairs Civil Buildings, Provincial."
