G.O.-3515 PWD dt 14-12-1874

Proceedings of the Madras Government, Public Works Department,
14th December 1874.

No. 283. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 30th November 1874, No. 3,708 :—

I REGRET very much having to report that a piece of some of the old outside arches of Tiroomal Naick's Palace fell down suddenly on the evening of the 28th instant and killed a woman who happened to be sitting immediately below it, and some damage has also been done to the adjacent houses.

2. I have ordered the remaining pieces of these arches to be removed at once, as they are very rotten and endanger the houses in the neighbourhood.

3. It will be necessary to incur some further expenditure on this account beyond the allotment sanctioned for the palace in this year's Budget, but the work is very emergent, and I trust the Government will be pleased to approve of my paying for it out of any funds at *my* disposal for the present.

No. 284. ORDER THEREON, 14th December 1874, No. 3,515.

CIVIL WORKS, No. 21.

THE District Engineer of Madura will incur any emergent expenditure that may be necessary for the safety of people frequenting or passing by Tiroomal Naick's Palace, reporting its probable amount as soon as it can be ascertained.
