Proceedings of the Madras Government, Public Works Department,
15th December 1874.

No. 303. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 30th November 1874, No. 732:—

I HAVE the honor to submit, for the sanction of Government, Plan No. 1,070, together with an estimate, amounting to Rupees 1,336, of the cost of extending the lay-bye at the Perpengady Station on the South-West Line of the Madras Railway.

2. The Traffic Manager in a letter to the Chief Engineer writes as follows in respect to the necessity for the work:—

"The lay-bye at Perpengady will only hold 5 wagons, but we have frequently 7, 8, and 9 wagons consigned to that station in one day loaded, and some of them are left on the main line siding contrary to regulations.

"Will you kindly have the lay-bye lengthened to hold 12 wagons."

3. The matter was discussed at a meeting of the Railway Committee held at Royapooram. I am of opinion that the extension of the lay-bye is necessary, and recommend that sanction be accorded to the necessary expenditure.

4. Funds to the extent of Rupees 1,194, chargeable to Capital, can be met from Schedule C, "works not specially provided for" in the Budget Estimate for 1874-75, and the Revenue portion* from Schedule G. The sanction will lapse at the end of the fourth quarter after its receipts.
