Sir,

Encls: 2

I beg that you will be good enough to point out to Government that my salary when in the Civil Engineering College was Rs 260/- with free quarters, and that I am now receiving only Rs 200: thus causing me a loss of Rs 60 a month. The Rs 260 were made up as follows:—

Surveying & Drawing Master Rs 210.
Superintendent of Military Students, " 50.

2.—It will be seen from Proceedings of the Madras Government, Educational Deptt No. 300 A dated 28th Octr. 1872 that my having charge of the Military Students was not an arrangement which was to be superseded.

3.—I was transferred to this Department under Proceedings of the Madras Govt. P.W. No. 2053 dated 28th August 1872. The

The impression I formed from this order was that I would not suffer loss in salary by the transfer.

4 — I inclose copies of the orders referred to.

I beg to remain
