Proceedings of the Madras Government, Public Works Department,
21st December 1874.

Read the following:—

No. 1,006-A.

No. 434. MEMORANDUM.

THE District Engineer, Godavery, has applied for the sanction of the additional Conservancy Establishment shown in the accompanying tabular statement, which is, or will be, required from the dates mentioned in connection with new locks and regulating weirs, and it is recommended that the usual application for the sanction of the Government of India be made.

2. For the Undi canal head lock, which has been finished earlier than was anticipated, the District Engineer requests that an establishment costing Rupees 26 may be allowed from the 1st instant, and that its cost may be met from the sanction for the Mogultur and Gummampad locks, which will not be opened as soon as was expected. All these locks are in the Western Delta.

MUDUTHORAY, *4th December* 1874. (Signed) JOHN MULLINS, Lieut.-Colonel, R.E., *Chief Engineer for Irrigation.*

No. 435. ORDER THEREON, 21st December 1874, No. 3,591.

IRRIGATION, No. 31.

Establishment.

THE usual application to the Government of India for the sanction of the additional Conservancy Establishments required in the Western Delta, Godavery, will be made, these additions being rendered necessary by the approaching completion of locks and regulating works.

2. The entertainment from the current month of the Undi head lock establishment is authorized, the cost being met from the savings on other lock establishments of the same delta.

3. Provision to the extent* required in 1875-76 will be made for these establishments in the outgoing Budget.

* Rupees 1,250.
