No. 475. Read the following letter from Captain J. W. HINDLE, Officiating District Engineer, Vizagapatam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Vizianagram, 29th November 1874, No. 1,664 :—

In continuation of my letter, No. 1,640, dated 25th November 1874, I have the honor to submit herewith another indent for a rifle and 250 rounds of ammunition, and to request you will be good enough to send it to the Grand Arsenal, Madras, with your countersignature, if approved of.

1 Copy of letter, No. 309, of 25th November 1874, from the Executive Engineer.
1 Indent for rifle with duplicate.

2. I beg to enclose, for your information, copy of a letter received from Mr. Nordmann, from which it will be seen that the articles in question are required for his protection in the Jeypore jungles.

No. 476. ORDER THEREON, 22nd December 1874, No. 3,613.

ACCOUNT, No. 33.

THE indent is passed on payment, officers on the Engineer Establishment being required to provide their own weapons.

2. The necessary orders will be issued in the Military Department for issue of the rifle with the required quantity of ammunition if available in store.

Sir,

I have the honor to request that you will be so good as to ask the permission of Government for me to obtain a Rifle and ammunition from the Arsenal; either on payment or otherwise, as the Government may direct.

2. I require the Rifle for protection, in the Jeypore Jungles, against Tigers (including man eaters) and other wild animals which abound there.

3. Government have, on former occasions, been good enough to sanction my Indents for a Rifle, without payment, under similar circumstances; namely in Wynaad, and in the Jungles of Hassanoor, Berghoor, Collegal &c.

4. Regarding the kind of Rifle, best suited for the purpose, I should prefer a short breach loading, central fire Rifle or Carabine, of the latest Henry-Martini service pattern,

with

with 250 rounds of ammunition.

I have &c.
