From C. T. LONGLEY, Esq., President of the Municipal Commission, Salem, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Salem, 25th March 1875.

2. The building is now in course of construction, and the Commissioners request that Government will be pleased to order the Public Works Department to have the same measured and valued after completion, and to reimburse to the Municipal funds the three-fourths of its cost to be borne by Government.

TRANSFERRED to the Public Works Department for disposal.
