*Proceedings of the Madras Government, Public Works Department,

Read the following papers :—

No. 215. Endorsement of the Acting Chief Secretary, dated Fort St. George,
24th November 1874.

From W. S. FOSTER, Esq., Acting Collector, Godavery District, to the Hon.
D. F. CARMICHAEL, Acting Chief Secretary to Government, dated
Cocanada, 17th November 1874, No. 13.

THE Subordinate Judge posted to Cocanada has arrived here. He told me
he could find no accommodation for his Court. I had received no instructions
on the subject, but as he was in need of a building, I have thought it best to find
one. There is no Government building available here. The new Telegraph
Office building at Cocanada is unoccupied, and as I have heard that the telegraph
officers do not wish to occupy it till some alterations are made, I have handed it
over to the Subordinate Judge, and I have the honor to request that the Govern-
ment will approve of my action in the matter. I shall be glad to give up the
building whenever it is required, but I trust that arrangements will be made
meanwhile to provide the Sub-Judge with some accommodation.

TRANSFERRED to the Public Works Department for consideration and disposal.
(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

No. 216. Proceedings of the Madras Government in the Judicial Depart-
ment, dated 4th December 1874, No. 2,220.

From the Acting District Judge, Godavery, to the Acting Chief Secretary to
Government, dated 18th November 1874, No. 294.

I HAVE the honor to request that you will be good enough to obtain the
sanction of Government to the temporary occupation by the Subordinate Judge
of Cocanada, for his Court, of the new Telegraph building at that station.

2. I am given to understand that the building in question cannot be used
in its present state as a Telegraph office, and that it is in contemplation to make
alterations in it. In the meantime, and until the Subordinate Judge is able to
find suitable accommodation elsewhere, I can see no possible objection to its
being utilized as proposed.

3. The Collector has allowed the Subordinate Judge to take possession.

INQUIRY will be made in the Public Works Department, whether there is any
objection to the proposed occupation of the building belonging to the Telegraph
Department.

CIVIL WORKS, No. 14.

A SUM of Rupees 4,637 were

August, for adding a receiving room

and dormitory, etc., to the new Telegraph Office at Cocanada, on which a sum of Rupees 17,833 had already been laid out. It is therefore very doubtful whether the Subordinate Judge will be able to hold his Court in the building while these additions are being carried out; but if he can, there would appear to be no objection to his doing so, provided he vacates, on the building being required by the Telegraph Officials.

2. His Excellency in Council does not gather from the correspondence that the Collector's action has been taken as it should have been in communication with the District Engineer. If he has failed in this respect, he will now ascertain the views of that officer before taking further proceedings.
