No. 320. Read the following letter from F. J. JOHNSTONE, Esq., Assistant Secretary to Chief Commissioner, Public Works Department, Central Provinces, to F. M. WEEDON, Esq., Executive Engineer, 1st Barrier Division, dated Nagpore, 7th April 1875, No. 2,599 :—

WITH reference to this office No. 1,318, of 24th ultimo, and your reply, *vide* No. 118, dated 8th March 1875, which was duly laid before the Chief Commissioner, I am directed to say that, after carefully perusing the explanation that you have offered, Mr. Morris considers that you have failed to clear yourself of the charges brought against you by the officers of the Madras Government, and that he cannot but regard your explanation as very far from satisfactory.

2. Your recent transfer to the establishment under the Director of State Railways renders it unnecessary to take further action in this matter; had you been, however, still employed under this administration, I am desired to say that your conduct would have been reported to the Government of India with a view to your removal from this province.

3. A copy of this letter will be sent to the Director of State Railways for information, and also to the Madras Government in reply to their No. 352, dated 8th February 1875.

No. 2,600.

COPY of the above is forwarded to the Secretary to Government, Public Works Department, Madras, for information, in reply to his No. 352, dated 8th February 1875.
