Government F.W.D.

Madras.

Sir,

I have the honour to request the sanction of Government to the employment, temporarily, as 3rd class talook Overseer, of Mr. S. Johnson, who was formerly an Overseer P.W.D. but whose services were dispensed with in consequence of his inability to pass the prescribed Examination.

The circumstances under which he was lately placed in charge of the Kudligi talook are as follows. The passed candidate from the College who was the Overseer of the talook was ill almost the whole of the short time he was in the talook, and, at last, quitted the district without even waiting to obtain leave. His predecessor had to be transferred on account of illness to another talook. The Range Officer was about to apply for sick leave and the Official year was drawing to a close.

To

to prevent an entire Stoppage of work it was necessary to send some one to the taluk who was acquainted with an Overseer's duties. Mr S. Johnson was on the Spot and willing to serve in that taluk I sent him.

I am the honorer to be
Sir,
Your Most Obedient Servant
