*Proceedings of the Madras Government, Public Works Department,
14th April 1875.*

Read the following letters:—

No. 365. From Major H. SMALLEY, R.E., Officiating District Engineer, Ganjam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Kottapilly, 23rd January 1875, No. 70.

I HAVE the honor to request to be informed whether officers and subordinates of the Department Public Works are considered to be entitled to double travelling allowance when on duty in the Maliah tracts of this district in the same way as in the Revenue and Police Departments.

No. 366. From the same Officer, dated Camp at Aska, 15th March 1875, No. 86.

IN reply to your memorandum, No. 159, of 9th February 1875, I have the honor to enclose, for ready reference, a copy of Proceedings of the Madras Government, Judicial Department, dated 21st October 1867, No. 1,675, on the subject of sanctioning double tentage or batta while travelling in the Maliahs to the Agent to the Governor in Ganjam and his and Assistant's establishment.

No. 367. ORDER THEREON, 14th April 1875, No. 1,035.

ESTABLISHMENT, No. 31.

Proceedings of the Madras Government, Judicial Department,
21st October 1867.

No. 182. Read the following letter from D. F. CARMICHAEL, Esq., Agent to the Governor of Fort St. George in Ganjam, to the Chief Secretary to Government, Fort St. George, dated Chetterpore, 5th October 1867, No. 97 :—

I find that, while the Assistant Agent draws 10 Rupees a day, in lieu of the usual tentage, during his tour in the Hill Tracts, no increased allowance is passed to his office servants and peons; nor do the Agent to the Governor and his establishment receive any consideration for the extra expense involved in Hill visitations.

2. This extra expense arises from the necessity of paying extra wages to servants, providing them with warm clothing and other comforts, and from the great cost of carriage in a country where wheeled conveyances and bazaars are equally unknown.

3. Public Officers of all grades, on tour in the Hills of Vizagapatam, draw *double tentage or double batta*, as the case may be, and I have the honor to request that sanction may be accorded to the introduction of the same rates in Ganjam. As I pointed out, when applying on behalf of the Vizagapatam establishments in 1862, the reasonableness of the suggestion is supported by the authority of Mr. Ricketts, late Commissioner for Civil Salaries, when revising the travelling allowances of the Officers of the late Orissa Agency; and Mr. Robinson long ago secured 10 Rupees a day for Superintendents and Assistant Superintendents of Police.

I should mention that the servants of the Assistant Agent's establishment are at present provided, at the public cost, with woollen suits and cumblies. When they draw double batta, this would, of course, be stopped, as they will be in a position to buy their own clothing.

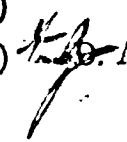

4. In my long tours through the Hills of the neighbouring District, I have always had a considerable number of fever cases of a severe type; it will, no doubt, be the same here. I beg, therefore, for the loan of two sepoy tents as hospitals, from the public stores, and of six muncheels or doolies, as is allowed to the Agent in Vizagapatam.

No. 183. ORDER THEREON, 21st October 1867, No. 1,675.

Under the circumstances represented in the foregoing letter, the Governor in Council directs that the Agent to the Governor in Ganjam, and his and Assistant's establishments, shall draw double tentage or batta, as the case may be, while travelling in the Hill Tracts.

2. Orders will be issued in the Military Department to supply the Agent with two sepoys' tents, and six muncheels or doolies.
