Proceedings of the Madras Government, Public Works Department,
15th April 1875.

No. 384. Read the following letter from W. S. HARINGTON, Esq., District Engineer, Malabar, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Cannanore, 22nd March 1875, No. 235.

I HAVE the honor to bring to your notice that Lieutenant Dobson and Mr. Supervisor Lalor have each applied for three months' privilege leave; the former from the 20th of July, the latter from the 20th of April next; both applications reached me on the same date, and both of the applicants are entitled to the leave asked for, having each served uninterruptedly for a period of three years. Should you be pleased to grant their requests, I think that, in Mr. Lalor's case, Mr. Grimes might be asked to undertake the charge of the Calicut Range in addition to his own, and that the District Engineer might perhaps himself look after the Cannanore Range during Lieutenant Dobson's absence. I should be willing to do so were I going to remain. As the monsoon may be expected to last from the 15th of May to the end of September, I venture to recommend the grant of leave to both Lieutenant Dobson and Mr. Lalor.

No. 156.

REFERRED to the Controller for report by endorsement whether the leave applied for is admissible.

Secretary to Government.
