

*Proceedings of the Madras Government, Public Works Department,
16th April 1875.*

No. 426. Read the following despatch from the Right Honorable the Secretary
of State for India:—

INDIA OFFICE, LONDON,
4th March 1875.

Financial,

No. 28.

MY LORD,—I have considered in Council your Public Works letter, dated the 6th January last, No. 1, forwarding “a last-pay certificate which has been furnished by the Controller of Public Works Accounts on account of Mr. John Hannan, an Assistant Engineer in the Public Works Department of Madras, who has proceeded to Europe on two years’ furlough.”

2. It appears from the Proceedings of your Government, forwarded with your letter, that Mr. Hannan’s service fell short by two days of the period of eight years requisite to render him eligible for furlough without medical certificate, and as it is very important that the Regulations should, in all cases, be strictly adhered to, I request that I may be furnished, at an early date, with an explanation of the circumstances under which a leave and pay certificate has been issued to Mr. Hannan, stating that he has been granted furlough for two years under the Civil Leave Code.

I have, &c.,
