No. 428. Read the following Proceedings of the Madras Government in the Judicial Department, dated 15th March 1875, No. 599 :—

ABSTRACT.—*Police Inspector's Bungalow at Goodalore, Wynaad.*—Letter from Collector of Malabar pointing out the desirability of placing this building in charge of the Public Works Department, communicated to that department with reference to its Proceedings, dated 2nd March 1875, No. 588.

No. 429. ORDER THEREON, 16th April 1875, No. 1,066.

CIVIL WORKS, No. 26.

In his letter recorded with G. O., No. 588, dated 2nd March 1875, the Superintendent of Police, Malabar, requested sanction, through the Inspector-General, to hand over to the Inspector at Goodalore, in addition to the rooms occupied by him in the Station-house building, all the rooms formerly used as the Station-house itself, thus putting the Inspector in sole possession of all the accommodation afforded by a building designed for a Station-house and Inspector's quarters combined.

2. It was considered desirable before appropriating in this way the ample accommodation afforded by the building in question to make inquiry as to the further requirements of Goodalore in the way of accommodation for public offices and servants. And it was decided* to call on the Collector and Magistrate in

the Judicial Department to report accordingly.

3. But it will be observed from the report submitted in compliance with these orders and recorded with Judicial Department Order, No. 599, dated 15th March 1875, that the Collector has misapprehended the intention of Government and has not afforded the information sought. This misapprehension is, however, accounted for by a wrong memorandum†

† No. 45, dated 19th January 1875, from Lieutenant-Colonel Kennedy. having been printed with G. O., No. 588, of 2nd March, and the plan of the

Taluq Cutcherry at Goodalore instead of the Inspector's quarters and lock-up having been sent to him, as well as by the wording of the order itself, which called for report of the further requirements at Goodalore for accommodation of "officers" and servants instead of *offices* and servants.

4. The correct letter‡ and plan will now be sent to the Collector through the Judicial Department, and he will again be asked to consider whether the accommodation in question may not be more appropriately disposed of than by giving the Inspector such extensive quarters.

No. 85. Proceedings of Government, Public Works Department, dated 2nd March 1875, No. 588.

ABSTRACT.—*Police Inspector's Bungalow at Goodalore, Wynaad.*—Papers relating to increased accommodation for the Inspector in the building and its transfer to the Public Works Department, transferred to the Judicial Department for report of the Collector and Magistrate, with reference to the further requirements at Goodalore for accommodation of officers and subordinates.

Referred to the Collector of Malabar for report.

No. 86. From A. MacGREGOR, Esq., Collector of Malabar, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Calicut, 8th March 1875, No. 12.

I have the honor to acknowledge Proceedings of Government of 2nd March 1875, No. 588, with your endorsement of the 4th instant, returned herewith.

2. There appears to be some misapprehension which has led to this reference, as there has not been any question of accommodation for officers or servants at Goodalore.

3. The Police Station-house has been moved into the new Sub-Magistrate's Cutcherry, and the rooms formerly used as station-house, forming part of the Inspector's quarters, being vacant, it is proposed to add them to the Inspector's quarters, and to place the building in charge of the Public Works Department, to ensure its proper repair. The proposal seems desirable. At both Vythcry and Manantoddy there are Inspector's quarters which the Public Works Department keeps in repair.
